Unity. Written by One of Our youth in memory of Rueben

Its Unity
Borrowing a pair of lungs
When its hard to breathe
Because evenings like these
Are the long ones

But we are linked together
By fingers, and soft palms
We are reminded of love
That was shared
In sweet songs
Songs that he loved,
And we loved them too

Its hard to not search for
The bottom of a bottle
And chase it with water
Because we remember
How he'd embrace
The bitter things in life
But it never broke his smile
And we must never break ours

For the remembrance of a garage
On a hot springs day
Or the sound of his guitar
We must not lose ourselves
In losing someone
But let it hold our ankles
Down to the earth
And call it home,

Though many barely know the word
We must hear-
And be heard
Because that's what he would have
wanted
So friends,
Let us not be haunted
But blessed

Because there is music and friends
To fill the hole in our chest
But leave a cavity in our hearts
Hearts that aren't empty
But leaves a spot for light
To shine through
It lives in me,
And all of you

We can see a light at the end
Of our cardiac tunnels

And broken veins
For the knowledge that tomorrow
Is another day
So I'll take a shot for him,
And one for his brothers
And sisters

I'll pour the rest in the soil,
And chase it with water
Because we all know
How he'd embrace the bitter things in
life,
Chase it with water,
So that new life can grow
For its not the ending of a soul
I see it everywhere I go
Because it lives
In all of you

A Note From the Founder

I can't believe we are already almost half way through 2018. We have been super busy at YouthHope and have seen so much progress with our youth.

We have been especially busy helping our youth get jobs. So many youth want a job where they can start saving for themselves and earning money to get themselves off the streets.

We are averaging a youth getting a job a week. That's

huge! I'm so thankful for our local businesses who believe in our youth and give them opportunities to better their lives.

We are so excited for our upcoming Harkins Fundraiser. If you haven't bought your tickets, make sure you do it before we sell out. There are only 200 tickets, and many of them have been sold.

It will be a great night and 100% of the proceeds go di-

rectly to YouthHope and helping our youth get off the streets.

This is a one of a kind fundraiser. Thank you Harkins Theatres for choosing us to be the recipient of this generous funding.

Cant wait to see you all at Harkins this month!
